

— ATLANTIS —
CENTRAL PARK
THE FRESHER SIDE OF LIVING

BRAND STORY

YOUR TOMORROW BEGINS HERE

From the developers of tomorrow's landmarks comes Atlantis Central Park, an icon that embodies a visionary standard for tomorrow's urban living. Conceived by the Atlantis Group, this luxury residential project draws inspiration from progressive urban lifestyles, reflecting a forward-looking philosophy rooted in innovation and long-term value. Here, amidst curated landscapes and harmonious architecture, residents find a sanctuary of profound peace and serenity. This thoughtfulness culminates in a design for those who see their home as a true extension of their aspirations.

A TOWERING ABODE FOR THE DISCERNING

Rising 22 storeys into the horizon, Atlantis Central Park features 184 exclusive residences spread across 3 acres, distributed between two pristine towers. Located opposite to Aerocity, it stands at the centre of connectivity, growth and evolving urban landscape. Atlantis Central Park is more than a place to live. It is a statement of tomorrow's lifestyle. With a strong emphasis on modern planning, peaceful surroundings, and elevated everyday experiences, the project represents a future where comfort, convenience and community coexist. This is where today's ambitions meet tomorrow's possibilities.

WHERE PEACE MEETS PROGRESS

Adjoining Block I, Aerocity, Zirakpur and Mohali, Atlantis Central Park is thoughtfully positioned to offer a rare sense of peace within a rapidly growing urban landscape. Set away from congestion yet well connected to key destinations, the location balances calm surroundings with everyday convenience. Surrounded by open spaces, emerging infrastructure, seamless road connectivity, and proximity to key commercial and lifestyle hubs, the location is designed for those who value both progress and peace. Well-connected to Chandigarh International Airport, top hospitals and global food chains, Atlantis Central Park keeps life seamlessly connected. and major arterial routes, this address ensures that the city's present conveniences and tomorrow's opportunities are always within easy reach.
