Multitech Towers

Rediscover the art of fine living at Multitech Towers

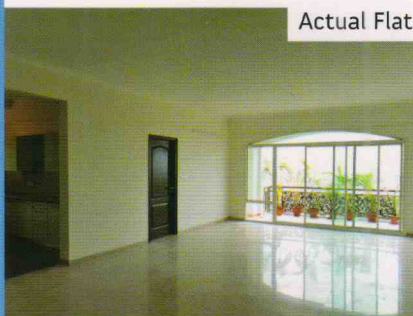

Situated between the lush golf course and upcoming cyber city, Multitech Towers holds just the right ambience for a fulfilling life. The grand buildings, with majestic façades, soar 14-storeys into the sky, and afford 180 degree green view of the proposed golf course. Multitech Towers provides the residents a dynamic, yet peaceful lifestyle, where one can cherish and relish the good things of life.

The Promise of Quality

We promise utmost standards of quality in products, services and deliverance. However, we admit, that the ultimate test of quality is the eye and experience of the customers, the end users of the project.

Multitech Towers is a showcase project of Manohar Singh and Company, an organisation with a legendary history of 50 years in real estate. Integrity and excellence are cornerstones of work ethics of the company.
