

OMAXE MACROCOSM

Over the past 22 years, OMAXE has established a permanent niche for itself in the real estate & construction sector by means of diverse range of well-planned residential and commercial projects. Today, OMAXE takes great pride in being a part of the dreams of millions across the nation and help them turn it into reality. The company at present has 52 projects under execution and planning. Among these are 21 integrated townships including a Hi-tech township, 20 group housing projects, 9 shopping malls & commercial complexes and 2 hotels. No wonder, OMAXE holds the honor of being one of India's rapidly growing real estate developers. There are 11 ongoing infrastructure & construction contracting projects. Moreover, the company has already delivered 17 projects across the nation, covering sprawling 10.68 million sq. ft of total area, counting 9 Group Housing projects, 2 Integrated Townships and 6 Commercial projects.

OMAXE has progressed with leaps and bounds already making its presence felt in 39 cities and 11 states across the country. Trust comes tagged with the name OMAXE as is evident from the 120 contracting projects done for different institutions and organizations. Not to suffice, the quality system standards at OMAXE are at par with the best of the world that has helped the company evolve into a premier real estate development company. Visit your nearest office today because you truly deserve an OMAXE property.
